INDIAN HOMOEOPATHIC MEDICAL ASSOCIATION

a national platform for Homoeopathic Doctors came into
existence in 2004 with a mission to improve the quality of
Homoeopathic medical education & practice, to maintain the honour,
dignity and interest of the profession of homoeopathic practice and
to promote cooperation amongst the members.
Seven years after its inception , it has spread its wings to various parts
of the country and has made a strong representation of its ideals
in the recently conducted LIGA International Conference at Delhi.
